

STATE OF TEXAS OFFERS SPECIAL BENEFITS TO SURVIVORS OF THOSE KILLED IN THE LINE OF DUTY

The Texas Legislature enacted Chapter 615 of the Texas Government Code to provide death benefits for eligible survivors of certain law enforcement officers, fire fighters, and others killed in the line of duty. The program is funded by the state and is administered by the Employees Retirement System of Texas (ERS). It is not part of any retirement program.

The benefits paid under Chapter 615 are available only when the individual suffers a death occurring during the performance of his or her duty and resulting from exposure to a risk inherent in the particular duty performed or a risk to which the general public is not customarily exposed. There are no age or length-of-service eligibility requirements for this benefit. Payments made under Chapter 615 are in addition to any other benefits for which the survivors of deceased individuals may be eligible (examples: federal benefits and educational benefits).

Who qualifies for Chapter 615 benefits?

This program may be available to eligible survivors of the following individuals:
