ERS 2023 Summer Enrollment Active Employee Guide

Since 2019, this month plan members have not been able to enroll in any of our plans. This is because of continued financial support from the state and LSC's self-insurance model. ERS now requires that all new plan members be identified to help keep our costs down and ensure that you have coverage for 2023 enrollment.

Benefits to protect your health and future

As an employee, you have a choice to make about your health and future. You can choose to enroll in one of our plans or you can choose not to enroll. If you choose not to enroll, you will not have coverage for 2023 enrollment.

Need to make changes to your benefits?

You can make changes to your benefits if you are currently enrolled in one of our plans. You can change your plan, your spouse's plan, or your dependent's plan. You can also change your contribution amount. To make changes, you must log in to the ERS website and click on the "My Account" link. You will need to provide your login information and your current benefits information.

No changes? No action needed

If you are currently enrolled in one of our plans and you do not want to make any changes, you do not need to take any action. Your current benefits will continue for 2023 enrollment.

2023 SUMMER ENROLLMENT FAIRS AND WEBINARS

ERS and plan administrators will be at Summer Enrollment fairs around the state to help you make informed decisions about your benefits. You may attend any of the fairs—not just those at your agency or higher education institution.

If you can't attend an in-person event, ERS and GOP plan administrators will also host several hour-long webinars throughout Summer Enrollment. You can participate in as many webinars as you wish from the convenience of your desk or anywhere you have internet access. Summer Enrollment webinars will provide a brief overview of all Texas Employees Group Benefits Program plans and any benefits changes in the upcoming plan year. Webinars about specific plans will feature an overview of the plan followed by Q&A with the plan administrator. (Plan representatives can answer general questions; if you have a specific question about your account or a claim, contact the plan's customer service number.) Register for a webinar at ers.texas.gov/Event-Calendars. You do not have to register to attend an in-person event.

PLEASE NOTE: In rare cases, ERS must cancel or change events due to issues beyond our control. When possible, we will provide notice of cancellations and/or changes on the ERS website. If you're planning to attend a Summer Enrollment fair or join a webinar, check the ERS Events webpage (ers.texas.gov/Event-Calendars) shortly before the event for any updates and parking information.
