

PLAN YEAR 2023 RATES

TIERED RETIREE HEALTH INSURANCE RATES

Effective Jan. 1 – Dec. 31, 2023

Under current state law, if you are eligible for Texas Employees Group Benefits Program (GBP) health insurance in retirement, the State of Texas pays some or all of your health insurance premium. The amount the state pays depends on three things: 1) whether you worked full-time or part-time in your last three months of state employment, 2) whether you had at least five years of GBP eligibility at a State of Texas agency or higher education institution on Sept. 1, 2014 and 3) how many years you worked for the state. For more information about how your retiree insurance premium is calculated, see www.ers.texas.gov/Retirees/Retirement/Tiered-Retiree-Insurance.
