

The **Texas Tuition Promise Fund**[®], the state's prepaid college tuition plan, allows families to lock in today's prices for tomorrow's undergraduate resident tuition and schoolwide required fees at Texas public colleges and universities, excluding medical and dental schools. Tuition units purchased in the plan may be used for all or a portion of these costs, and our flexible payment options fit almost any budget.*

Enroll in the plan at any time between Sept. 1 and Feb. 28 (Feb. 29 in leap years). Enrollment for newborns or children younger than 1 year of age extends through July 31.

Use our online Tuition Planning Calculator to explore the flexibility of the plan. You can compare tuition unit types and payment plans to find the best option for you.

The easiest way to open an account is to enroll online at [TuitionPromise.org](https://www.tuitionpromise.org), or visit the website to download or order an enrollment kit. You can also call **800-445-GRAD (4723), option 5**, for more information.

The Texas Tuition Promise Fund[®] ("Fund") is administered by the Texas Prepaid Higher Education Tuition Board ("Board"). Orion Advisor Solutions, Inc. is the plan manager for the Fund. The Fund and the Board do not provide legal, financial, or tax advice and you should consult a legal, financial, or tax advisor before participating.

Non-residents of Texas should consider whether their home state, or the beneficiary's home state, offers its residents any tax or other state benefits such as financial aid, scholarship funds, and protection from creditors that are only available for participants in that state's plan.

Participation in the Fund does not guarantee admission to or graduation from any college or university. Only the purchaser may direct redemptions, withdrawals, changes in beneficiary, or other contract changes.

You may lose money by participating in the Fund. No part of a contract is a deposit or obligation of, or is guaranteed or insured by, the Board, the state of Texas, or any agency or agent thereof. The contracts have not been registered with or approved by the SEC or any state. Purchasers should carefully consider the risks, fees, charges, and expenses associated with contracts, including Fund termination and reduced Transfer or Refund Value. Transfer Value applies to redemptions at Texas private colleges and universities, out-of-state colleges and universities, medical and dental schools, career schools, and registered apprenticeship programs and is the lesser of: (1) the costs the units would cover at a Texas public college or university; or (2) the original purchase price of the units plus or minus the Fund's net investment earnings or losses on that amount. Texas Match the Promise FoundationSM scholarships can only be used at Texas public colleges and universities, and any Transfer Value of a Match the Promise Foundation scholarship account cannot be utilized. The Plan Description and Master Agreement contain this and other information about the Fund and may be obtained by visiting [TuitionPromise.org](https://www.tuitionpromise.org) or calling 800-445-GRAD (4723), option 5. Purchasers should read the Plan Description and Master Agreement, and all other Fund documents carefully before purchasing a contract.
